Voice of the Patient

Positive

- ER - Nurse Travis is a major asset to the ED at the hospital. I've had care from him two separate times and he has provided excellent care and knowledge.
- ER - I enjoy Dr. Reddy. He is direct and to the point.
- Inpatient - All staff was great - nursing asst. Paula was a blessing as was R, Ms. Jackie and Wyatt.
- Inpatient - Everything and everyone was very nice to me especially Jenna & Nicole.
- Outpatient - The lady who did my mammogram was so nice and explained everything to me. Shaylee Swalls was extremely nice at the registration desk.
- Outpatient - Rosa (PT) was great!!

Opportunities

CARING Council members noted that showers in patient rooms on the Med/Surg unit are small and may be challenging for some patients.

- **Current Actions:**
 - Several rooms have been renovated into the new ICU, which includes **larger restrooms and showers**.
 - A dedicated **shower room** has been added on the Med/Surg unit for patients with mobility issues.
- **Next Steps:**
 - Continue monitoring patient and staff feedback.
 - Keep this on the radar for **future renovations** to improve patient comfort and accessibility.
